3) CONFIRMATION OF INFORMATION AND ACKNOWLEDGMENT OF RISKS

I testify that the information written down in this form is accurate, and that it is to the best of my knowledge. I testify that I did not omit information intentionally, relevant or not, regarding my health condition. I am aware that the information contained in this form is confidential and is used for the event planning and supervision of the security around the activities to which I will participate, and that it will assist Projet Vertical to have a portrait of its clientele. I am aware that the activities offered by Projet Vertical are taking place in semi-natural or natural environments, possibly in uneven areas, which consequently are distant to medical services. This situation could lead to long delays during an emergency where an evacuation is required; thus, it could lead to an aggravation and/or acceleration of my health condition. The role of the Co McNicoll ltée is limited to the property and the exploitation of other attractions of the Tourist site. Having acknowledged these risks and having taken the time to discuss with an organizer and leader for the activity, I testify that I have been informed of the risks inherent to the activities and that I am able to undertake the activity or the stay **WITH FULL KNOWLEDGE OF THE FACTS AND BY ACCEPTING THE RISKS** that this activity or stay may imply. I commit myself as well to play an active role in managing those risks by adopting a preventive attitude towards myself and towards people around me. The guide has the right to expel any person deemed as a risk for himself or herself or for the rest of the group. I understand that I may be asked to leave the present activity for said reason or *another*.

4) DRUGS AND ALCOHOL

I commit myself to not consume, possess, nor be under the effect of any drugs, illicit substances or medication (on prescription or not) which is not mentioned at point 2) of the present form. I also confirm that I am not currently under the effect of alcohol or that my alcohol level is inferior to the 80 mg per 100 ml blood limit, commonly named "point zero eight", and that my condition will remain the same during the whole activity. I am aware that any breach of these rules on my part could lead to an immediate expulsion and without any reimbursement option.
